IT'S A LOT

He just needs to get a job...
She must be a bad mom ...
They just need to save up...

**WHAT IF... WE HAD TO JUST
PUT OURSELVES IN THEIR SHOES?**

Let's change our mindset and our words so that everyone feels included and can participate, each in their own way, **IN BUILDING A STRONGER CÔTE-NORD.**

People living in poverty didn't choose to be and are already under a considerable amount of pressure.

**DON'T BURDEN OTHERS
WITH YOUR PREJUDICES.**
